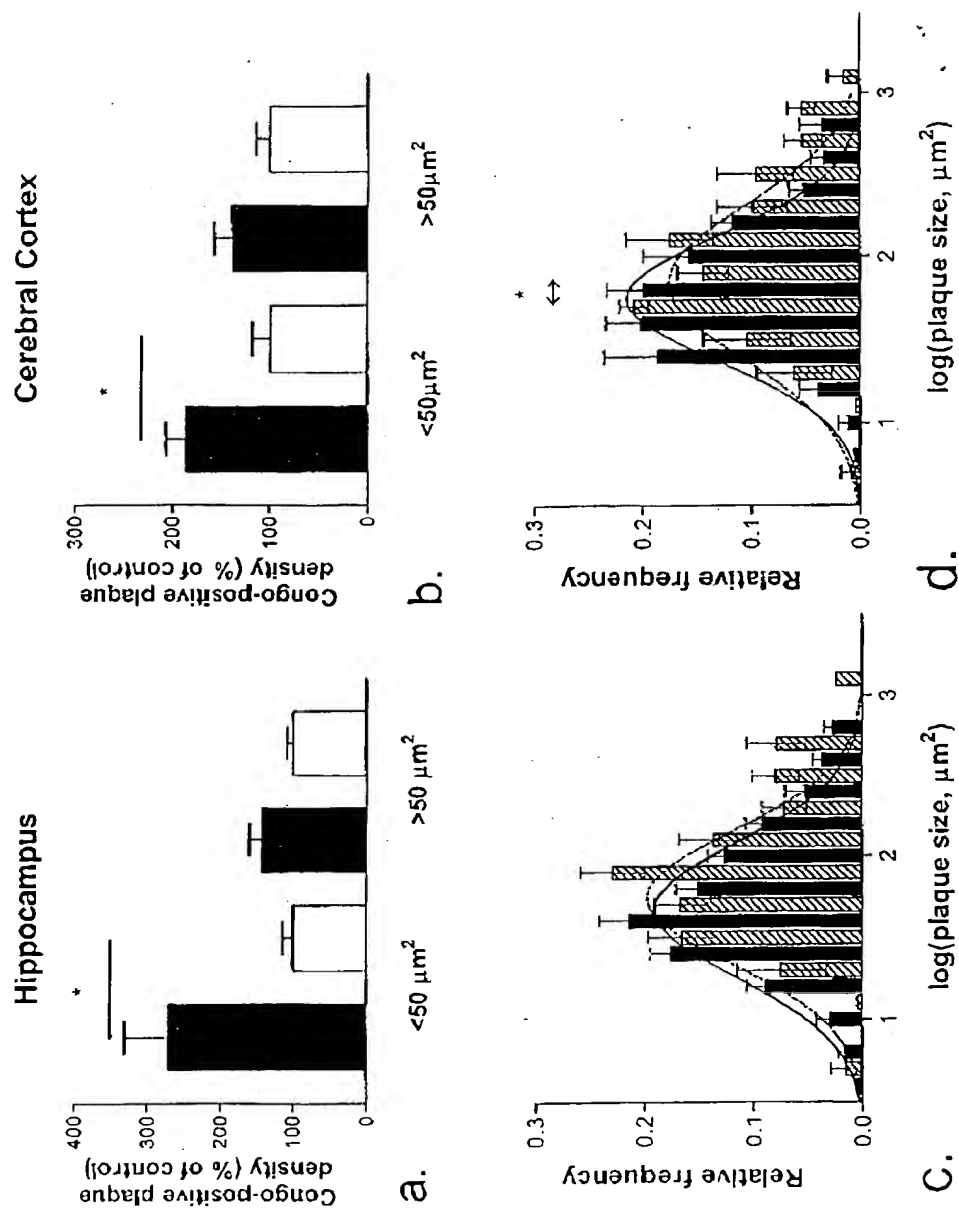

FIGURE 5

This is a high-contrast, black and white image showing a heavily textured, grainy surface. The texture is composed of numerous small, dark specks and fibers against a lighter background. In the upper right corner, there is a dark, irregular shape that appears to be a shadow or a piece of tape. The overall appearance is that of a close-up photograph of a rough material, possibly a piece of paper or fabric, with a dark, irregular shape in the upper right corner.

The image is a high-contrast, black-and-white scan of a textured surface. It exhibits significant vertical banding and horizontal streaking, characteristic of severe degradation or damage. The texture is dense and granular, with varying shades of gray and black, suggesting a rough or aged material. There are no discernible figures, objects, or text.
